International Student Exchange (ISE)

Marcel is from São Paulo, Brazil, and has a background in Accounting, Finance and Engineering. He previously worked for KPMG (financial audit, mergers and acquisitions), Deloitte (IT projects in quantitative pricing models) and Goldman Sachs (exotic derivatives and structured financing). His experience in the Student Exchange industry started in 2004 as a J1 exchange participant when he joined International Student Exchange (ISE) and stayed for the next 10 years. Marcel then ventured into the Investment Banking industry, but always felt connected to the Student Exchange mission. What excites him the most about this industry is to work alongside a group of kindhearted people who love what they do. Marcel enjoys being part of an industry that is moved by a mission that truly promotes global understanding, allowing people from all corners of the world to connect and learn from each other.

Marcel is a proud father to two little girls and as a typical Brazilian, is a big soccer fan. During his free time he enjoys spending time with his family and watching his two little girls that help him grow.
